To encourage kids from under privileged backgrounds, to be given the chance to play golf, membership, and green fees to be looked at, the first ten will have all paid for, for the season. Marcus & Stuart have spoke to John Cullen (member of the club) to teach during spring/ summer after school and some periods over the weekends. John will need to go on a course in order to be able to do this, the relevant DBS checks will also need to be completed. This is all the planning/ talking stage ATM.
